

Human Resources Advisory and Project Services

Your Human Resources Professional plays a pivotal role in the success of your organization. Our team of Human Resources Professionals are here to support your business needs. Whether you need some bench strength to support your team, a project or a dedicated HR Professional, we will work with you to bridge the gap.

We'll design the type of support that works best for you. Services can be provided on an hourly or fixed-price basis. Reach out to discuss options that will work for you.

Here are some of the things we can help with:

- Policy review and creation
- Organization assessment
- Workplace mediation
- Workplace investigation
- Strategic planning facilitation
- Performance management
- Leader assessment
- Leader development
- Team building with DiSC
- Employee surveys
- Recruitment
- Termination
- Organization structure design
- Organization realignment
- Emerging leader skill development
- Employee skill development
- Employment contracts
- HR gaps assessment
